**Environmental inspection / enforcement of regulations**
- **Scope of application**: Behavior of persons, mining activities
- **Contamination is considered to have occurred**: Not defined
- **Contamination of water**: Not defined
- **Fishing**: Not defined
- **Environmental protection**: Fault-based liability
- **Remediation**: Not determined
- **Person that caused the harm (§ 39.1)**: Person faulty (§ 39.1)
- **Person that brought waste into the environment (§ 128 (1))**: Person that brought waste into the environment (§ 128 (1))
- **Scope of damage occurred**: Damage to bodies of water
- **Damage caused by taking the waste into the environment**: Damage caused by taking the waste into the environment
- **Extent of damage**: Not determined
- **Liability**: Person that brings the damage
- **Person that causes the damage (§ 74 (1))**: Person that caused the damage (§ 74 (1))
- **Person at fault (§ 39.1 (2))**: Person at fault (§ 39.1 (2))
- **Preventive or Response duties required**: Prevention: prevention of waste in environment, disposal of waste, prevention of disturbances
- **Environmental Board - Substitutive Enforcement and Penalty Payment Act**: Response: compensation for damage
- **Penalty Payment Act**: Remedial action: protection of environment damage
- **Liability - Replace**: Partial-based liability
- **Costs to be covered**: The amount of damage
- **Access to Justice and Accountability**: Not determined
- **Rights of appeal**: Not determined
- **Financial security**: Not determined
